## Welcome to Infinity Marine Consultancy (IMC)

**IMC** is a professional maritime recruitment and HR consultancy firm dedicated to delivering excellence, integrity, and reliability.

We specialize in connecting shipping companies and maritime operators with motivated, skilled, and certified seafarers worldwide.

Our tailored recruitment solutions are designed to meet the evolving demands of the global maritime industry.

With strong recruitment networks across Europe and Asia, including our dedicated offices in the United Arab Emirates, the Philippines, and Morocco, as well as strategic collaborations across other Asian countries, we effectively source and deploy high quality maritime professionals.

# Our Purpose & Commitment

## Our Purpose

Our primary objective is to enhance operational efficiency in maritime operations by providing expertly sourced, well trained, and dependable crew members.

## Our Commitment

We support our Principals with workforce solutions that prioritize:

- ✓ Safety and accountability
- ✓ Compliance with international maritime regulations
- ✓ Operational efficiency
- ✓ Professional excellence
- ✓ Long-term workforce stability

We believe that the right crew is the foundation of successful maritime operations.

## Crew Recruitment

Globally crew sourcing, screening and selection to find the best talent that matches your needs

## Crew Management

Scheduling crew changes, keeping personal data, tracking leave, Visa applications, certificate renewing, etc.

## Crew Travel Arrangements

Worldwide best flight offers, flexible conditions & refundable tickets with Additional Baggage Allowance for all working in maritime industry.

## Crew Training

Additional Trainings & Tests according to the Employer's requirements

## Overview

**Infinity Marine Consultancy - IMC** specializes in identifying and securing highly qualified maritime professionals tailored to meet the specific needs of our Principals, ensuring efficient and reliable crewing solutions.

✓ **Ongoing Support:** Providing continuous assistance to crew members and recruitment services to the Principal, ensuring seamless communication and operational efficiency.

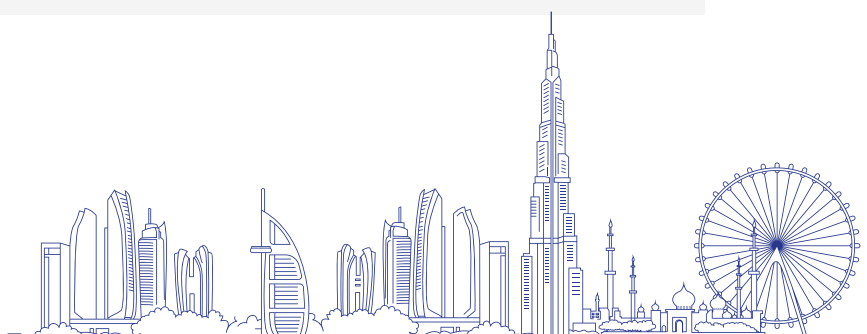

✓ **Compliance Oversight:** Facilitating adherence to international maritime regulations and standards, while the final responsibility remains with the Principal.

✓ **Performance Evaluation:** Conducting regular assessments and reviews to enhance service quality and Principal satisfaction.

✓ **Global Talent Pool:** Access to a diverse network of qualified seafarers from various countries.

✓ **Customized Recruitment:** Tailored recruitment strategies aligned with the Principal's requirements and vessel types.

✓ **Comprehensive Vetting Process:** Thorough background checks and interviews to ensure the best fit for both the crew and the vessel.

## Tailored Solutions for Specific Maritime Needs & Principals

At **Infinity Marine Consultancy - IMC**, we understand that every maritime operation presents unique challenges and requirements. We work closely with our Principals to assess their specific goals, operational environments, and vessel types. This collaborative approach allows us to deliver customized recruitment strategies, ensuring that the professionals we place are not only highly qualified but also aligned with the operational demands of the role and the culture of the organization.

## Focus on Safety, Efficiency, and Compliance:

Safety is paramount in the maritime industry, and at **Infinity Marine Consultancy - IMC** we prioritize candidates who demonstrate a strong commitment to safety protocols and best practices.

Our approach emphasizes operational efficiency, supporting our Principals in streamlining their processes while maintaining the highest standards of performance.

We are fully committed to ensuring that all placements comply with international maritime regulations and industry standards, helping to reduce risk and promote a culture of accountability within the workforce. This comprehensive approach not only enhances operational performance but also fosters a safer, more reliable working environment.

## Key Advantages:

### Access to a Diverse Pool of Maritime Professionals:

We have an extensive network of qualified candidates across various maritime disciplines, ensuring you find the right fit for your needs.

### Enhanced Operational Performance:

Our tailored recruitment solutions lead to improved efficiency and productivity, as we match candidates who not only possess the required skills but also align with your operational goals.

### Support:

We provide ongoing support throughout the recruitment process and facilitate as much as possible during the embarkation & disembarkation process

### Rotation and Retention:

We actively monitor the disembarking crew and conduct follow ups to ensure effective planning and retention within the Principal's pool, fostering a motivated workforce and enhancing retention rates.

### Experience & Personal Touch

We bring years of industry experience, ensuring expertise in crew rotation and retention strategies. Our personalized approach guarantees a unique touch, tailored to the specific needs of each Principal, fostering strong relationships and effective solutions

We are fully committed to identifying and placing  
the **right candidates** in positions that align  
with both their expertise and **your organizational goals.**

### Looking for Crew?
